

EARLY YEARS PRACTITIONER

Little Willows Pre-School aims to create an early years environment in which children can learn without limits, where possibilities are endless and where they can discover the thrill of exploring and the delight when they achieve something new. We seek to promote the development of independence, confidence, self-esteem and believe in the innate potential of every child.

We have a team of dedicated and committed staff members and are now looking for a further practitioner. We are looking for a team player who seeks to provide an inspiring environment for young children and will support and encompass all children's needs to promote the uniqueness of each child.

Little Willows Pre-School is a WInCKS (Warwickshire Inclusion Kite Marking Scheme) setting and this is testament to the collaborative team ethos which supports and nurtures each individual's potential and celebrates their progress.

You should hold a minimum relevant Level 3 qualification in childcare, be willing to attend training opportunities and be progressive in your development.
